Available Spring 2027 Courses

ENGL C1000
(3 Units)
2/8/27-5/8/27
Course #: 52947

Reading & Composition

This course teaches academic reading and writing, including how to write effectively, use language well, and think analytically. Students read and discuss a variety of texts, then use those skills to write essays, research projects, and other assignments for different audiences and purposes. Students will complete at least 6,000 graded words of writing. Some sections of the course may focus on a specific cultural perspective.

***Satisfies the following graduation requirements for high school:**
1 Full Year (2 semesters) of High School English

PERG 130
(3 Units)
2/1/27-3/27/27
Course #: 52916 or 52917

Personal Growth Career & Life Planning

This course is designed for students interested in self-exploration, career transitions, and career-life planning in order to achieve success in a diverse society. This course helps students explore their values, interests, skills, and personality through different assessments to guide their career planning. Students also learn about life roles, self-management, decision-making, and setting goals. This course is designed for students who are unsure about their future career or college major.

***Satisfies the following graduation requirements for high school:**
Pathway Exhibition + 1 other Elective/CTE

POLI 121
(3 Units)
2/1/27-3/27/27
Course #: 52951

American Political Development

Students should take this class after successful completion of POLS C1000 (Government). This course provides an overview of American political development. Students will look at how key political ideas, practices, and groups - such as women, ethnic communities, political parties, interest groups, and social movements - have influenced our government, and how government institutions have shaped them in return.

***Satisfies the following graduation requirements for high school:**
Economics + 1 Elective
